Petition to Revive Abandoned Application Pursuant To 37 CFR

1.137(b)

Dear Sir:

It is respectfully requested that the above identified patent application be revived from abandonment pursuant to 37 CFR 1.137(b) for an unintentional failure to reply to the office action mailed July 1, 2003.

As discussed in a conversation with the Examiner in early January, 2004, the amendment was being handled by Harry Weiss, who is the sole attorney in our Las Vegas office. In the last part of August, 2003 Harry Weiss experienced a severe deterioration in his health, culminating in coronary artery bypass open heart surgery on September 3, 2003. Harry Weiss spent the next few months recuperating from surgery. Unfortunately, as a result of his medical condition, and the fact that the attention of our office was focused on his health and recovery from his life-threatening medical condition, there was an unintentional failure to reply to the Examiner's office prior to its abandonment. A copy of a letter from the office of the surgeon confirming Harry Weiss's surgery is attached to this petition.

Please deduct from our Deposit Account No. 23-0830 the amount of \$665.00 for the 37 CFR 1.137(b) petition to revive for unintentional abandonment. If there are any other fees incurred by this Amendment Letter, please deduct them from our Deposit Account NO. 23-0830.

Respectfully submitted,

Craig Weiss
